Whether you are new to Smart Start Preschool, or returning from the previous year, welcome!

Smart Start Preschool is a developmental preschool whose goal is to provide a quality educational program that inspires children to create, discover, and achieve. Great care and attention are given by the teachers to the social, emotional, physical and cognitive development of each child.

Curriculum and School Calendar

Smart Start Preschool follows a monthly thematic curriculum. Each year is different from the year before so that returning students will have new units of study to look forward to. Enclosed you will find our curriculum and school calendar, which for the most part, corresponds with the Boise School District's school calendar.

Enrollment Contracts

Enclosed you will find an enrollment contract and other required paperwork. Please look over your contract and return it to Smart Start Preschool as soon as possible to reserve your child's space. If you have not already paid the annual \$100 materials/registration fee, please include this fee with your contract. If you are choosing a monthly tuition plan, automatic withdrawal is the preferred method of payment.

I look forward to a fabulous year with you and your child. Please feel free to contact me with any questions!

Sincerely,
Erin Tippetts Donahue
